Christ Honoring: Our goal is to honor Christ in all things. We are not building a kingdom and we are not entertaining. This is a camp run by a youth pastor who sends his kids too!

Affordable: When registered early, a week of camp is only \$85!

Modest Attire: Our camp strives for an atmosphere that does not hinder the working of the Holy Spirit.

Preaching Centered: Plenty of fun times, but there will be lots of Biblical, Balanced, and Boiling Hot Preaching!!!

Jim Krohn
Camp Director

Why is it that the average unsaved person from the 1800's lived a holier life than the average professing Christian does today? *That is a shame upon the name of Christ.* What happened to the chivalrous qualities of honor, duty, virtue, and morality? Let's turn to Christ and in His strength have a testimony that will draw men unto salvation.

"Winter camp is well structured. My teens talk about winter camp all year long. They love the games, competitions, songs, and preaching. I'm thankful for a camp that takes a fundamental stand without apology." *Tim Kahler, Youth Pastor, Carrollton Baptist Temple*

"This camp was a real blessing to me and my kids. I have not seen a camp run this well in a long time." *Kevin Overton, Youth Leader of Temple Baptist Church in Baldwinsville*

"A great mix of standards and spirit." *Chuck Schwartz, Pastor, Bible Baptist Church, Mercer, Pa.*
